WINERY WITH SPA
Novi Sad, Serbia: 2010

Student Project

Underneath the spa and restaurant building, there are pools of wine and water in which the guests can relax.

student: Tihomir Janjušević

- Studijski programi su usaglašeni sa evropskim standardima u pogledu uslova upisa, trajanja studija, uslova prelaska u narednu godinu, sticanja diplome i načina studiranja
- Osnovne akademske studije traju četiri godine
- Nakon odbranjenog diplomskog rada, studenti stiču zvanje diplomiranog inženjera arhitekture i 240 ESPB

- Studenti stiču kompetencije koje im omogućavaju korišćenje stručne literature, sposobnost kritičkog mišljenja, sposobnost analize problema, sinteze rešenja i rešavanja realnih problema sa kojima se susreću u praksi.
- Stečene kompetencije omogućavaju i nastavak školovanja za studente koji se za to opredele.

•Diploma inženjera arhitekture pruža mogućnosti bavljenja različitim poslovima iz oblasti arhitekture, urbanizma i dizajna:

- arhitektonsko projektovanje;
- urbanističko projektovanje;
- projektovanje enterijera i dizajn;
- izvođenje (izgradnja i nadzor);
- zaštita i obnova starih građevina i prostora;
- komunalna pitanja;
- investicije i upravljanje;
- teorija;
- istorija;
- ...
